Dear Friends of The Padua Center,

“I can get my home work done; no one bothers me; I can always get the help I need,” said one of the Padua Possibilities students. “I had a great time,” one summer camper cheered! The Padua Center makes a difference in the lives of the children who come here because it is in the heart of the community and it touches the hearts of all who come here. Thanks to people like you who support us, The Padua Center will continue to help children.

The Padua Center invites you to join us for the 2014 “Peaces of Art,” a banquet with a silent and live auction, to be held on Sunday, October 12, 2014 beginning at 5:00 p.m. at the Sullivan Center at Gesu Parish, 2049 Parkside Blvd. This event features artwork done by the children of the Padua Center and a chair that has been decorated with the thumb prints of our children. The event highlights the accomplishments of the Center.

Ms. Doni Miller, CEO of the Neighborhood Health Association will be our featured speaker and a special Padua Promoter Award will be given to **Representative Marcy Kaptur**.

Funds generated will allow The Padua Center to continue the great work that it has been doing and will allow for expansion in core programs, as well as beginning some new activities including our Ujima Urban Agriculture program. This will be a demonstration garden of sound ecological principals, as well as a potential financial support for the Center.

We know that you want to support The Padua Center and are wondering how. There are a number of ways that you can be involved and we invite you to choose the path that best fits your giving plan.
